Re: WC Docket No. 03-194 – Application by Qwest Communications International Inc. for Authority to Provide In-Region InterLATA Services in the State of Arizona

Dear Ms. Dortch:

Earlier today, representatives of Qwest Communications International Inc. (“Qwest”) participated in a conference call with Denise Coca of Commission staff to review the pre-ordering and ordering Performance Indicator Definitions under which Qwest’s commercial performance for CLECs is reported. Participating on behalf of Qwest were Dean Buhler, Hance Haney, Candy King and Nancy Lubamersky, as well as Yaron Dori of Hogan & Hartson. The issues discussed were consistent with the information submitted by Qwest in its Application, and, in particular, in the Declaration of Dean Buhler, Performance Measures.

The 20-page limit does not apply to this filing. Kindly contact the undersigned if you have any questions concerning this submission.

Respectfully submitted,

Hance Haney
